

## **Facilities Update Report February 15, 2008**

- a. Ground breaking for the swimming pool is now tentatively scheduled for Thursday February 21st. Work on the foundation will begin shortly thereafter.
- b. The security doors are still on schedule to be completed by the end of February.
- c. We are currently waiting for additional bids on the lockers next to the library.
- d. The wiring survey for A/C in each classroom has been completed and we are waiting for budget approval.
- e. A bid (approx. \$21,000) has come in to repair the cupola which has been causing the leaks on the third floor. We are waiting for approval from OPEFM.
- f. The plastering is moving along nicely, and it could be completed by the middle of March.
- g. Since May 1, 2007, we have handled 45 projects, requests for repairs, and daily emergencies. Currently we have 8 requests still open.
